ACTIVITIES

DEDICATION OF RUDY HALL

What was formerly Howard Hall, a run down building once used as both a dormitory and a fraternity house, was dedicated Jeanette C. Rudy Hall on July 14, 1987. The building was built in 1940, and has been in deteriorated condition for years. Philanthropist Jeanette C. Rudy financed the renovation, which has turned the building into a showplace. It will be used for social gatherings and to house visiting guests.

CUMBERLAND UNIVERSITY'S FIRST ANNUAL SCHOLARSHIP BANQUET

Cumberland University's first annual scholarship banquet was held Thursday, September 24, 1987. This banquet honored the students receiving scholarships and the donors who support Cumberland and the education of students. Support for the students and the university was also given by the attendance of many parents, faculty and board members. Included in the banquet was a dinner and presentation of certificates to each scholarship recipient. Dr. M. Walker Buckalew and James Patton presided over the banquet and both men entertained the students, donors, parents, and faculty members with renditions of their college education. Picture taking and fellowship concluded the evening.

WE CAN MAKE YOU LAUGH

On October 15, 1987, the student council sponsored the "We Can Make You Laugh" comedy show. Contestants were chosen from the audience and were drilled with jokes, funny outfits, and more. Those who managed to keep a straight face for three minutes received \$25 in cash. Watching for smiles and giggles were Mary Beth Oldham, Doug Saunders, and Bonnie Vaughan. Tracey Simmons, Chuck Jones, Wendy Lowery, John Farrar, and Dr. Suhail Massad managed to ignore the comedians as they each won \$25 for their straight-face efforts!

The Assassination Game

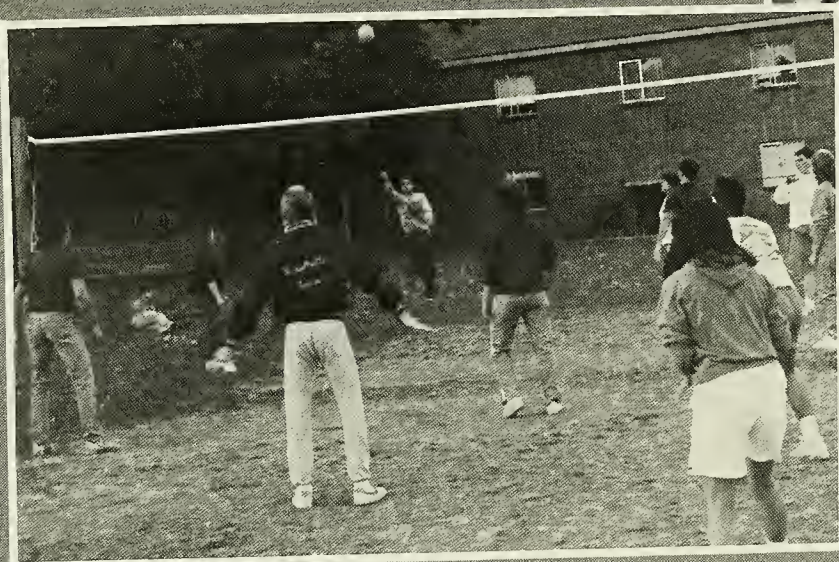

Game master John Farrar pictured with Student Council President Karen Oldham.

Student Council President Karen Oldham presenting prize money to assassination game winner Mark Vastola.

The Cumberland University campus found itself soaking wet for two weeks when student council representatives sponsored the assassination game. John Farrar found himself in the middle of several assassins as he served as game master. All who entered had a name to 'kill' by drenching them with water. The object was to kill before being killed. Mark Vastola managed to stay dry as he won for the second consecutive year. Mark received 75% of the pot of money, with John receiving 25% for all his hard work.

BOWLING NIGHT

BONFIRE

The student council helped kick-off the fall semester by sponsoring the annual Fall Frolic. Activities began with a trip to the Pro Bowl West for an evening of gutterballs and strikes, as CU students tested their skill at bowling. The frolic continued the following night with a bonfire. Hotdogs and marshmallows were plentiful, and the fire was warm enough to cook anything; the only problem was the lack of coat hangers! A number of students retired to the Dawghouse for entertainment by our own CU band afterwards. Activities continued as a Halloween dance was held the next night. A costume contest brought out the characters in most of the students as Teresa Young won the contest and Lisa Halliburton won second place. The final night of Fall Frolic was dedicated to horror flicks.

THE WEDDING OF THE SEMESTER

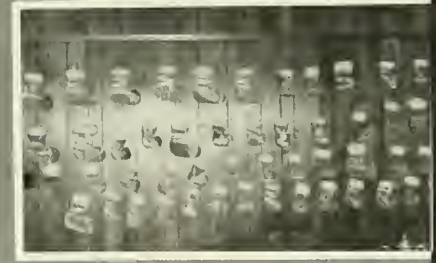

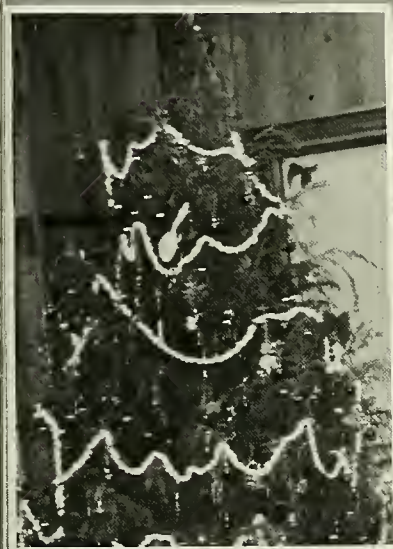

Marriage and the family was the class to take the fall semester of '87. Under the instruction of Dr. Richard Shriver, the class acted out situations that an engaged couple might face. Adding to the normal problems were problems such as racial differences, religious differences, and a large age gap. After much trauma, the couple, who was Jan Austin and Doug Saunders, was finally married by Father Kevin Dowling with Dr. Shriver assisting as a Southern Baptist minister. The forty-minute ceremony was performed at the St. Francis Catholic Church with the presence of bridesmaids and groomsmen. After the wedding, a reception was held in the classroom.

CHRISTMAS AT CUMBERLAND

On December 8, 1987, the Student Council hosted a Christmas program and reception for the students, faculty and staff, and board members of Cumberland University. The program was held in Baird Chapel. The prelude and postlude were played by Dr. Helen Heitgerd and Mrs. Pace Pope. Dr. Buckalew, Acting President, welcomed everyone. Rev. Ken Trammel gave an inspirational message. Stan Plades, BSU President, sang "Sweet Little Jesus Boy", and Dr. Suhail Massad played a Christmas Instrumental on his lute. Dr. Heitgerd read a poem "In the Bleak Midwinter" by Christine Rosetti. The University Singers performed under the direction of Dr. Bert Coble. Dr. Coble also led the group in singing Christmas Carols. Student Council President Karen Oldham made the closing remarks and wished everyone a happy holiday. The program ended with Dr. Richard Shriver singing "Mary Had A Baby" as the benediction. After the program, there was a reception in the student lounge. Santa Claus was present and made the evening perfect. It was a terrific way for the entire school to celebrate Christmas.

1988 HOMECOMING QUEEN

On February 13, 1988, Dr. Walker Buckalew presented 1988 Homecoming Queen Teresa Davis to the spectators during the Cumberland — Freed-Hardeman basketball game. Teresa was escorted by Vince Valentino. Elected as runners-up were Jill King, 1st runner-up, and Dawn Brawner, 2nd runner-up.
